Board Notes

Monday, June 16, 2025

Items of Note

- On June 6, our 8th-grade students went on a field trip to Niagara Falls State Park and the Maid of the Mist and Cave of the Winds for our MUD (Moving up Day) year-end picnic. *(A huge shout out to Rachel Smith for securing a grant that will pay for ALL of our 8th-grade students to participate in this field trip right here in our backyard.)*
 - Check out these [great pictures](#)
- On June 11th and 12th, our 5th-grade students visited the Middle School and worked with our WEB leaders. The 5th-grade students were able to ask some great questions and spend some time working together to help make their transition to middle school less anxious. We will be inviting them back in the summer for the 6th grade orientation on Thursday, August 21.
- The end of the year comes fast and furious, and we want to make sure that information is available for reference. A full schedule for the events and activities for June is [attached](#) and here is the schedule for the final .

June 16 Day 2	June 17	June 18	June 19	June 20

Have a wonderful summer and we look forward to seeing you throughout the summer!

Lew-Port High School Board of Education Report

**THIS MONTH'S
TOP STORIES**

Congratulations to our Retirees!!!!!!

Marie Miller

Jennifer Wanamaker

Cindy Sanoian

Matt Bradshaw

James Wanamaker

This year, we proudly recognize our high school retirees, who together have given an extraordinary **187 years of service** to Lewiston-Porter. I've had the honor of working alongside them—as both a colleague and their principal—and have witnessed the deep impact they've had on our school community.

Throughout their careers, these dedicated educators and staff members have guided, mentored, and supported countless students. They've inspired learning, offered encouragement during challenging times, and helped shape young lives in ways that will be

felt for generations. Their commitment to student growth and success has left a lasting legacy in our classrooms and hallways.

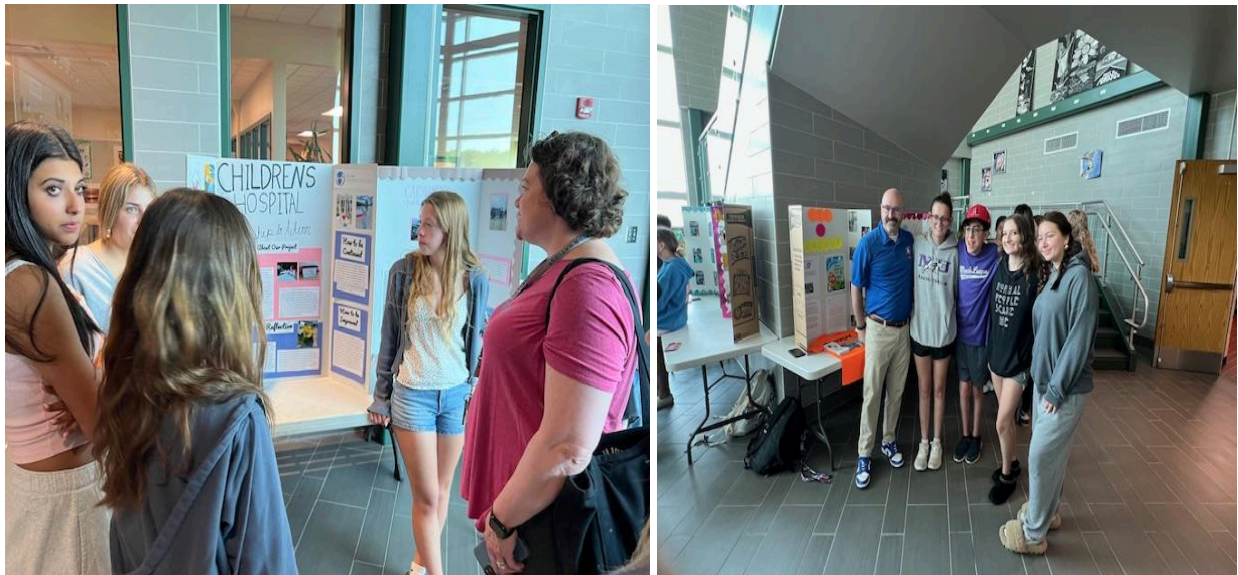

We are incredibly grateful for their service and wish them nothing but the best as they begin this well-earned new chapter. Their presence will be deeply missed, but their impact will never be forgotten.

Leadership in Action: Final Projects

As part of their final project, our High School Leadership students organized fundraisers to support local charities. Each group chose a cause they cared about and created a unique way to raise money—offering services like dog walking, car washes, swim lessons, or collecting used sporting equipment.

One group raised funds for **The Miracle League**, which helps children with disabilities play baseball. Others supported animal shelters, youth sports, and food banks.

Through this project, students practiced teamwork, planning, and communication—while making a real difference in their community. We're proud of their leadership and generosity!

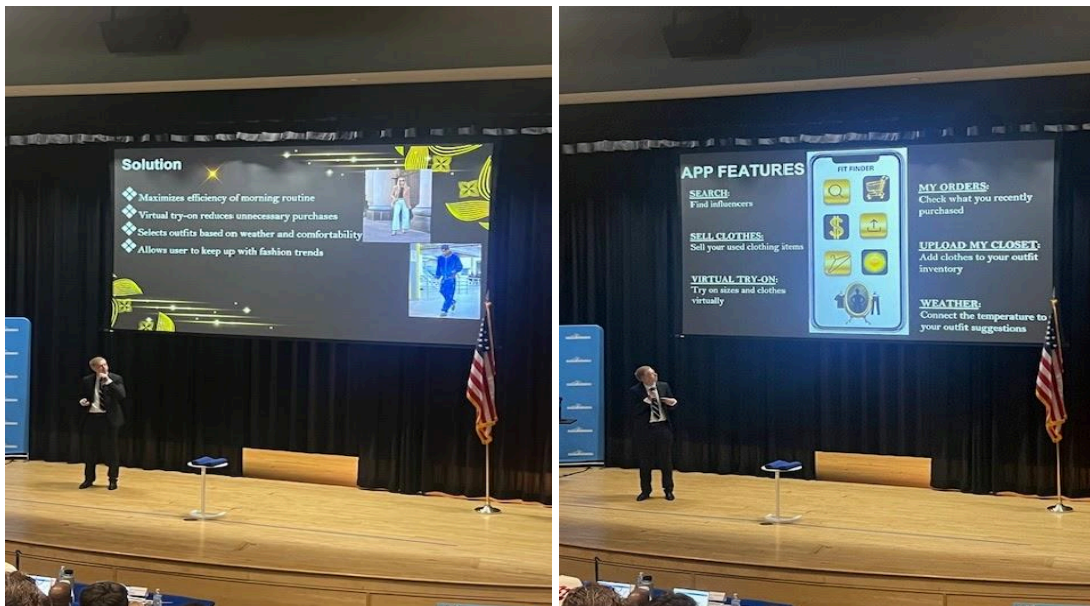

Spring Choral Concert:

Our Spring Choral Concert was a beautiful celebration of music and the talented seniors in our choir program. Each senior had the opportunity to perform a solo, showcasing their individual voices and marking their final performance on our stage. It was an evening filled

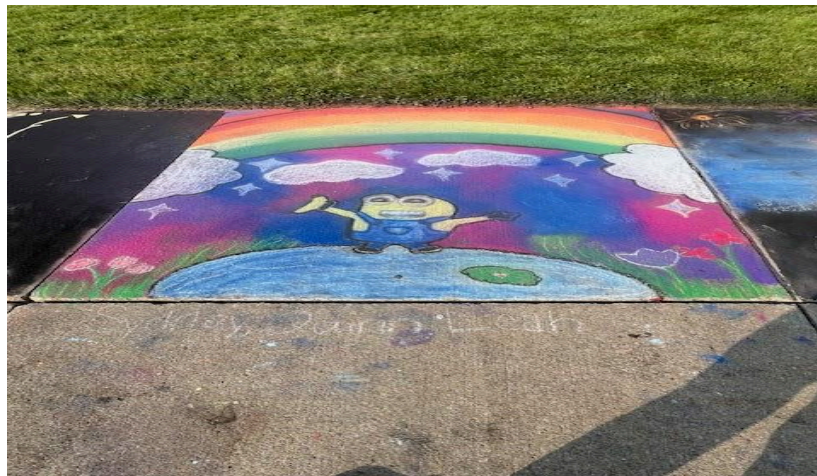

with emotion, harmony, and heartfelt farewells as we honored their dedication and contributions to the choir. We're proud of our seniors and wish them all the best in their next chapter!

43 North Competition:

Students recently took part in a 43North-style competition, where they created and pitched original products or business ideas to a panel of judges. Working in teams, they developed business plans, prototypes, and marketing strategies, then presented their ideas in a professional pitch format. The competition encouraged creativity, collaboration, and entrepreneurial thinking. Congratulations to all participants for their innovative ideas and confident presentations!
