

**SUBJECT: MAXIMUM TEMPERATURE FOR SCHOOL BUILDINGS AND INDOOR FACILITIES**

The District is responsible for addressing the health, safety, and comfort of students and staff on extreme heat conditions days.

For purposes of this policy, the following definitions apply:

- a) Extreme heat condition days means days when occupiable educational and support services spaces are 82 degrees Fahrenheit or higher.
- b) Room temperature means the temperature measured at a shaded location, three feet above the floor near the center of the room.
- c) Support services spaces do not include kitchen areas used in the preparation of food for consumption by students.

Implementation Plan When the Temperature Reaches Eighty-Two Degrees Fahrenheit

The District is required to take action to relieve heat-related discomfort when the occupiable educational and support services spaces temperatures reach 82 degrees Fahrenheit. These actions may include, but are not limited to:

- a) Turning off the overhead lights;
- b) Pulling down shades or blinds;
- c) Turning on fans;
- d) Opening classroom doors and windows to increase circulation, if permitted;
- e) Turning off unused electronics that produce heat; and
- f) Providing water breaks.

Air conditioners, where available, may also be used to keep room temperatures from reaching 82 degrees Fahrenheit. The District may take the actions above earlier in the day or before school starts in an effort to keep the room temperature below 82 degrees Fahrenheit. This does not prohibit using air conditioning in response to a student's Individualized Education Plan, Section 504 Plan, or in response to a documented student medical need.

**SUBJECT: MAXIMUM TEMPERATURE FOR SCHOOL BUILDINGS AND INDOOR FACILITIES**

Implementation Plan When the Temperature Reaches Eighty-Eight Degrees Fahrenheit

The District will remove students and staff from educational and support services spaces when the room temperature reaches 88 degrees Fahrenheit where practicable. The Superintendent or designee may direct building principals to evacuate the space by:

- a) Moving students and staff to cooler spaces within the school building(s); or
- b) Closing school early and sending students and staff home according to the District's emergency school closing policy and/or procedure which include communicating with parents and persons in parental relation.

The Board will consider the anticipated number of extreme heat condition days when adopting or adjusting the District's school calendar. The District will also be mindful of collective bargaining agreements.

**SUBJECT: USE OF INTERNET-ENABLED DEVICES DURING THE SCHOOL DAY**

The District consulted with local stakeholders including employee organizations representing each bargaining unit, parents, and students to develop this policy to prohibit the use of Internet-enabled devices by students during the school day on school grounds. This policy aims to ensure that students remain focused on their academic responsibilities throughout the school day, which includes all instructional and non-instructional periods such as homeroom, lunch, recess, study halls, and passing time.

For purposes of this policy, the following definitions apply:

- a) "Internet-enabled devices" means and includes any smartphone, tablet, smartwatch, or other device capable of connecting to the Internet and enabling the user to access content on the Internet, including social media applications;  
  
"Internet-enabled devices" does not include:
  - 1. Non-Internet-enabled devices such as cellular phones or other communication devices not capable of connecting to the Internet or enabling the user to access content on the Internet; or
  - 2. Internet-enabled devices supplied by the District, charter school, or Board of Cooperative Educational Services (BOCES) that are used for an educational purpose.
- b) "School day" means the entirety of every instructional day as required by subdivision 7 of the Education Law Section 3604 during all instructional time and non-instructional time, including but not limited to homeroom periods, lunch, recess, study halls, and passing time.
- c) "School grounds" means in or on or within any building, structure, athletic playing field, playground, or land contained within the real property boundary line of a district elementary, intermediate, junior high, vocational, or high school, a charter school, or a BOCES facility.

Students are generally prohibited from using Internet-enabled devices during the school day anywhere on school grounds.

However, students may be authorized to use an Internet-enabled device during the school day on school grounds:

- a) If authorized by a teacher, principal, or the District for a specific educational purpose;
- b) Where necessary for the management of a student's health care;

**SUBJECT: USE OF INTERNET-ENABLED DEVICES DURING THE SCHOOL DAY**

- c) In the event of an emergency;
- d) For translation services;
- e) On a case-by-case basis, upon review and determination by a school psychologist, school social worker, or school counselor for a student caregiver who is routinely responsible for the care and well-being of a family member; or
- f) Where required by law.

Students must be permitted to use an Internet-enabled device where the use is included in the student's:

- a) Individualized Education Program (IEP); or
- b) Section 504 Plan.

**On-Site Storage of Internet-Enabled Devices Including Cell Phones**

*[Districts must provide one or more methods for on-site storage where students may store their Internet-enabled devices during the school day, which may include student lockers. Example language has been provided. However, the District should customize this section to reflect its actual practices.]*

Students must store their Internet-enabled devices in designated on-site storage areas during the school day. On-site storage areas may include, but are not limited to, student lockers, designated storage bins in classrooms, or secure storage areas in the school's main office. The designated on-site storage areas must be easily accessible to students and provide adequate security to ensure the safekeeping of the student's devices. The District will communicate the procedures for storing and retrieving devices, ensuring that students understand their responsibilities in using the on-site storage facilities provided.

**Methods for Parents to Contact Students During the School Day**

*[Districts must provide one or more methods for persons in parental relation to contact their student during the school day. A list of examples has been provided. However, the District should customize this list to reflect its actual practices.]*

To accommodate necessary communication, parents or persons in parental relation may use the following methods to contact their student during school hours while adhering to this policy:

- a) School Office Phone: Parents or persons in parental relation may call the school's main office, and the office staff can relay messages to the student or call the student to the office to speak with their parent or person in parental relation.

**SUBJECT: USE OF INTERNET-ENABLED DEVICES DURING THE SCHOOL DAY**

- b) Designated Contact Email: Schools may provide a designated email address for parents and persons in parental relation to send messages. These emails may be monitored by school staff who can then pass the messages on to the students.
- c) Classroom Intercom System: In case of an emergency, the school's main office can use the classroom intercom system to notify students directly or ask them to come to the office.
- d) School Messaging Application: Schools may use a secure messaging application or platform where parents or persons in parental relation can send messages to their student. The messages can be monitored and delivered by school staff.
- e) Written Notes: Parents or persons in parental relation can drop off written notes at the school's main office, which can then be delivered to the student by school staff.

Parents and persons in parental relation will be notified in writing of the methods that are available for contacting their student during school hours upon enrollment and at the beginning of each school year.

**Student Discipline for Accessing Internet-Enabled Devices During the School Day**

The District is prohibited from suspending a student solely for accessing internet-enabled devices in violation of this policy.

**Posting and Translation of Policy**

The District will post this policy in a clearly visible and accessible location on its website. Translations of the policy into the 12 most common non-English languages spoken by limited-English proficient individuals in the state will be provided upon request by a student or other persons in parental relation to a student.

**Reporting and Mitigation Action Plan**

Beginning September 1, 2026 and annually thereafter, the District will publish an annual report on its website detailing enforcement of this policy within the District in the prior school year. This report will include non-identifiable demographic data of students who have faced disciplinary action for non-compliance and analysis of any demographic disparities in enforcement of this policy. If a statistically significant disparate enforcement impact is identified, the report will include a mitigation action plan.
